'School Readiness' describes the capabilities of children, their families, school and communities that will best promote student success in school and beyond.

Objectives-

- Child gets familiar with the School Readiness Program
- Enables the teachers to plan as per the needs and requirements of the students.
- Helps the child to adapt to the new circumstances.
- Adjusts into new school environment, learns the basic manners and etiquettes required during the studying.

GOALS

- To develop a child holistically-

- To make child develop-
  1. Socially
  2. Personally
  3. Physically
  4. Intellectually
  5. Emotionally
